Prendergast Declines to Be Bound to Interborough by Conference.

Borough President McAneny at the eting of the Board of Estimate today brought up the subway question, but little discussion followed. President McAneny explained thes he had no intention of binding anybody by any action taken by any committee. Expedition, he said, was the sole motive

behind his motion.

These liews of the Mayor were partly expressed at the conference of the Committee of the Whole and the Public Service Commission yesterday.

The member, who requested that his name be not used, said:

We've stopped sparring and are elegal down to business. Wait until he Mayor's views become public as to be sort of ofter from the Interborough will be willing to consider and the abilit will be amazed. He is a radical of the radicals."
